

# Tech Rider for concerts featuring Pt. Ulhas Kashalkar

**Organisers are requested to have the following equipment arranged.**

**Incase of more clarifications or problems with the same, they are requested to notify beforehand for alternative arrangements to be made.**

## Platform / Riser

A platform or riser on the stage and should have approximately the following dimensions:

15 ft length and 10 ft breadth and 1-2 ft height

(To accomodate 5-6 artistes on stage)

## Platform Cover

A rug or carpet (should not be cushioned or spongy) covered by a plain white sheet to cover the entire surface of the platform/riser.

## Greenroom Facilities

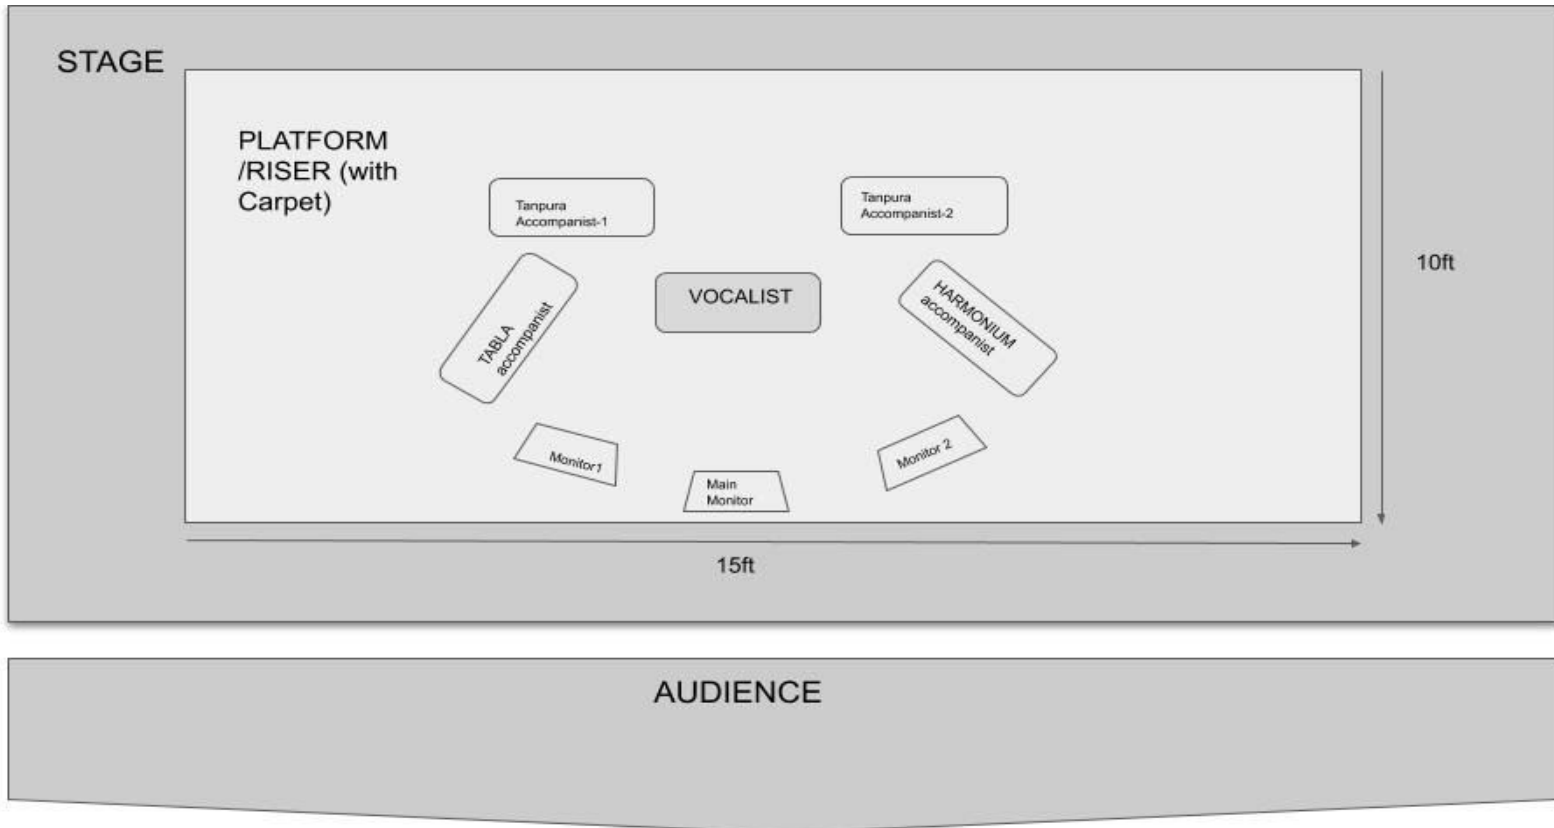

- A large carpet or equivalent to accommodate at least 8 artistes, along with their instruments.
- Two acoustic Tanpuras of Pitch D#.

## Recording

- **Prior permission of the artistes needs to be obtained for any form of recording / webcast / publishing excerpts or complete concert recordings on any public domain .**
- In cases where permission is obtained, a copy of the digital recording of the performance is to be handed over to the artistes, post concert.
- A few high resolution concert pictures for archival purposes is requested.

Please email the same to **[ukashalkar@yahoo.com](mailto:ukashalkar@yahoo.com)**
